Lori Benson, EY Canadian Leader, Environmental Social Governance Services (ESGS) Supply Chain Services

EY Canadian Leader ESGS in Supply Chain Services, Lori successfully earned SCMP and CSMP designations. She actively supports development programs and networking opportunities that promote sharing of best practices in Supply Chain.

She is actively involved with many advocacy councils in Canada and leading EYs PAR certification journey. Lori advocates for an inclusive Supply Chain where Indigenous and Minority Suppliers experience growth and development opportunities in the Canadian marketplace through supplier diversity initiatives which result in actualizing opportunities and value return.
